

ASW55.2T

The ASW55.2T is the ideal partner for outdoor projects. It incorporates the newest acoustic technology and is amazingly powerful yet discreet. This T-version is fitted with a transformer, allowing different units into one circuit. The unique curved shape produces clear, warm sound performance. Thanks to the indoor-outdoor switch, this speaker provides pure musical enjoyment, outdoors as well as indoors. In addition, the bass reflex may be hermetically sealed using the tube supplied.
