

## ASW65.2

This waterproof speaker is equipped with the latest acoustic technology. It is amazingly powerful and still discrete. The unique curved shape produces clear, warm sound performance. Thanks to the indoor-outdoor switch, this speaker provides pure musical enjoyment, outdoors as well as indoors. In addition, the bass reflex may be hermetically sealed using the tube supplied.

*The ASW65.2 is no softie though. Terrasses, swimming pools, parks, etc. will by no means be a challenge.*

COLOURS white / black
