

Never leave your music behind.

Indoors or out, set your vibe with dynamic audio from the Harman Kardon Luna. Engage with superior sound and powerful bass from a compact Bluetooth speaker.

You'll be tempted to pick it up just to feel the soft grille fabric and quality anodized aluminum accents. The elegant silhouette fits so perfectly in your hand that you'll carry it from brewing your morning cup of tea in the kitchen into your home office for an all-day focus playlist. Then later, how about unwinding on the couch with your favorite podcast?

With an IP67 waterproof and dustproof rating and 12 hours of built-in battery life, the Harman Kardon Luna keeps up when the backyard cookout becomes drinks around the firepit. If you'd like even more amazing audio, you can wirelessly pair two Harman Kardon Lunas together for enhanced stereo sound.

Features and Benefits

Harman Kardon superior sound

Hear every detail of your music with balanced, high-quality audio from the advanced drivers of the Harman Kardon Luna's 2-way speaker system. The iconic Harman Kardon sound will make your favorite songs sound brand new.

Stylish looks, quality design

The Harman Kardon Luna's sleek, minimalist silhouette enhances any setting. The elegant ergonomic design, fabric-encased build, and anodized aluminum top panel look and feel great anywhere.

Built-in battery

Never miss a moment of your favorite song or podcast. Packing 12 hours of built-in battery life, the Harman Kardon Luna is the perfect all-day companion to power your personal soundtrack.

IP67 waterproof and dustproof

It would take a lot more than an accidental dunk in the pool or a sudden thunderstorm to spoil your soundtrack. The Harman Kardon Luna's IP67 dustproof and waterproof rating means it's remarkably durable, along with sounding beautiful and looking elegant.

Bluetooth music streaming

Music is meant to be shared. That's why the Harman Kardon Luna supports seamless wireless pairing with two mobile devices at once, so you can alternate playlists with friends and family, making new memories together with great sound quality.

Made in part with recycled materials

The Harman Kardon Luna features speaker grille fabric that's woven from 100% recycled polyester yarn, 85% recycled plastic in the frame and a 50% recycled aluminum top panel. It's also packaged in FSC-certified paper printed with soy ink.

Boost stereo sound with two speakers

Wirelessly pair two Harman Kardon Luna together for a true stereo experience that delivers more beautiful sound details and a much wider soundstage.
