## Features and Benefits

### Smart Case for seamless experience

Control the earbuds' settings, manage calls and playback, control your audio setting and battery level and set your alarm without taking out your phone, through the screen of the charging case. Enjoy a truly seamless experience thanks to the JBL Tour Pro 2 unique smart charging case without using your phone or the JBL Headphones App.

### True Adaptive Noise Cancelling with Smart Ambient

Enjoy the soundtrack of your life no matter where you are. True Adaptive Noise Cancelling technology automatically uses 4 noise sensing mics to adjust to your surroundings in real-time, minimizing distractions when you need to focus and optimizing the JBL Tour Pro 2's performance for a superior audio experience—all while you adjust ANC mode control with the JBL Headphones app.

### 6-mic perfect calls with voice control

The 6-mic crystal call algorithm of the JBL Tour Pro 2 earbuds allows you to have better conversations even in loud or windy environments or to get help from your preferred voice assistant. And with VoiceAware, you can choose how much of your own voice to hear by controlling the amount of mic input routed back into your earbuds.

### Smart Ambient technology

Stay alert to the sounds of the world around you while enjoying your music with Smart Ambient. Control either feature with a simple touch of a button and fine-tune them with the JBL Headphones app.

### Legendary Pro Sound

Thanks to extensive global research and testing, the superior JBL sound curve delivers precise, accurate audio and less distortion with all the music you love at any frequency or volume, even in noisy environments. Enjoy deep-dive bass thanks to the 10mm dynamic drivers powered by JBL Pro Sound.

### Immersive JBL Spatial Sound

Immerse yourself in JBL Spatial Sound and feel like being in a theatre, at a concert or in the studio with your favorite artist. Thanks to this proprietary technology, sound comes from virtually anywhere around you, no matter the source or the device you are playing from.

### Personal Sound Amplification

Turn on JBL Tour Pro 2's Personal Sound Amplification feature to adjust the L/R balance and amplify conversations' volume +15-20dB.

### Hands free voice control

Stay connected to your digital world anywhere. Just say "Hey Google" or "Alexa" and speak to your preferred Voice Assistant and control your headphones with voice prompts in multiple languages.

### Fast Pair enabled by Google and Microsoft swift pair

Discover Bluetooth accessories in close proximity to your device—then connect with a single tap. With Microsoft swift pair you can seamlessly pair your Bluetooth devices with your Windows 10 PC.

### Stay in control with the JBL Headphones app

Personalize the soundtrack of your life. Just download the free JBL Headphones app to customize EQ, switch on Adaptive Noise Cancelling, adjust your ambient sound control settings, check your best fit, or find your earbuds. You can also customize how the earbuds behave through the gesture customization or adapt the sound output to audio or video to get the most out of your content, choose your preferred voice assistant and much more.

### Bluetooth 5.3 LE audio (\*)

The JBL Tour Pro 2 feature Bluetooth 5.3, for a more stable and secure connection, so that you can enjoy wireless connection at its best. Featuring the last Bluetooth technology, your JBL Tour Pro 2 become virtually futureproof.
