QUANTUM 50C

Wired in-ear gaming headset with USB-C adapter

Features and Benefits

Immersive JBL QuantumSURROUND Sound

With 8.6mm drivers powered by Hi-Res certified JBL QuantumSOUND Signature, hear enemies (and friends) like never before. Immerse yourself in sound and throw yourself into another world of mobile gaming with JBL QuantumSURROUND. Pick up the smallest sound details. Play to dominate.

Absolute control with volume slider and mic mute

When you're in the zone, you're in the zone. No more fiddly controls. With a separated master volume slider, mic mute and multi-function button, let's keep things simple.

Inline Voice-Focus microphone

Optimized for multi-player gaming and Discord-certified. The microphone is close to the mouth and separated from the other controls, giving you superior voice pickup.

Twistlock™ technology for comfort and stability

You're in this for the long haul. With a combination of JBL patented ergonomic technology and ultra-soft silicone giving a super secure fit, the longest gaming sessions will fly by.

Multiplatform compatibility.

Made for mobile, but the JBL Quantum 50C is compatible with all platforms: PC, Mac, Xbox ONE, PlayStation 4 and 5, Nintendo Switch, Xbox Series X|S, mobile and VR. Whatever and however you play, easily plug into another world.

Compatible with USB-C devices

Need to connect to a PC, mobile or gaming device? USB-C connectivity ensures compatibility with a wide range of devices*.

*Please check USB-C compatibility with your device.
