Elevate your day-to-day with seamless sound and dynamic lighting.

The Harman Kardon Aura Studio 5 Wi-Fi invites you to lose yourself in sound and light. Its fully transparent dome—finished with premium metallic accents—creates an elegant statement in any space. The mesmerizing light display casts a radiant glow that moves in perfect harmony with your music. Whether you're unwinding with your favorite chill-out playlist or getting energized for the day, every note shimmers with rich, room-filling detail thanks to our Constant Sound Field technology. And with built-in Wi-Fi, stream seamlessly in hi-res audio from hundreds of services through AirPlay, Google Cast, Spotify Connect, and Tidal Connect. Or connect multiple Harman Kardon speakers for a soundscape that flows effortlessly from room to room. Wherever the moment takes you, the Aura Studio 5 Wi-Fi surrounds you in beauty, rhythm, and pure, captivating sound.

Features and Benefits

Classic design, redefined

The Harman Kardon Aura Studio 5 Wi-Fi captivates at first glance with a refined aesthetic that elevates any room. Meticulously crafted, the sleek and transparent dome features an undercut edge that reveals an intricate interior that captivates with its layered depth and refined beauty. The elegant metallic silver finish of the control ring gleams against the rich, dark fabric base, creating a subtle yet sophisticated contrast. Bold yet polished, it's a statement of style and sound in perfect harmony. The lens at the top of the dome casts ambient light patterns over your surroundings, adding a sense of depth and atmosphere.

Constant Sound Field with 3-way speaker design

Our three-way speaker design delivers rich, natural sound that pulls you in. A powerful subwoofer brings depth you can feel, while a dedicated tweeter and six full range transducers let every instrument and voice shine with stunning clarity. Thanks to Constant Sound Field technology, the music stays perfectly balanced everywhere in the room creating a wider soundstage—deep bass, crisp highs, and a warm, detailed midrange all reach you with absolute precision. Wherever you sit, stand, or dance, the Aura Studio 5 surrounds you with flawless, immersive sound.

A new dimension of light

Surround yourself with light and sound, perfectly in tune with your mood. The signature 360-degree ambient glow now reaches even further, with a new lighting lens that casts dynamic patterns above the speaker—wrapping you in an immersive, captivating atmosphere. And the experience is yours to shape. Use the Harman Kardon One app to customize colors and patterns to match your vibe, making every moment feel just right.

Unique ambient lighting that syncs to your music

Transform your experience with the engaging lightshows of Aura Studio 5 Wi-Fi. Luminous colors and graceful movements sync to your favorite music and amplify its impact. Choose soothing or energetic vibes that perfectly complement your mood and harmonize with your emotions.

Works with all ecosystems and music streaming services

Enjoy your favorite music and podcasts in engaging high-definition sound. Choose from hundreds of online music streaming services through AirPlay, Google Cast, Spotify Connect, Tidal Connect, and Roon Ready.

Seamless Bluetooth® streaming

In addition to its built-in home network access, Aura Studio 5 Wi-Fi connects seamlessly to up to two mobile devices simultaneously via Bluetooth®. So when your friends come over, they can share their new favorite songs direct from their phones in exceptional, high-quality audio.

Harman Kardon One app

The Harman Kardon One app makes it easy to set up your Aura Studio 5 Wi-Fi and personalize the audio and lightshow settings. You can also customize EQ, manage all your compatible speakers in one convenient place, and even install software updates—all from the comfort of your couch.

Automatic self-tuning

Get great sound anywhere you want. When you power on, the speaker automatically calibrates itself to ensure the best possible sound, no matter the setting.

Multi-speaker connection by Auracast™

The Aura Studio 5 Wi-Fi features multi-speaker connection via Auracast™. Use the Harman Kardon One app to connect two or more Harman Kardon speakers and fill your space with seamless synchronized sound. Whether you're setting a mood or throwing a party, effortlessly connect as many speakers as you want for an immersive sound experience.

Made in part with recycled materials

The Harman Kardon Aura Studio 5 Wi-Fi incorporates post-consumer recycled plastic and recycled aluminum. It is also packaged in FSC-certified paper printed with soy ink.

What's in the box

- 1 x Harman Kardon Aura Studio 5 Wi-Fi
- 1 x Power cable (up to 3 pcs depending on region SKUs)
- 1 x Quick Start Guide
- 1 x Safety Instruction and Warranty Card

Technical Specifications

General specification

- Transducers: 40 mm x 6 pcs (Mid-high range); 25mm x 1 pc (tweeter), 143 mm x 1 pc (Subwoofer)
- Total speaker power output (RMS @THD 1%): 2 x 20 W + 1 x 20W + 1 x 100 W
- Networked standby power: < 2.0 W
- Operation temperature: 0 °C - 45 °C
- Frequency response: 45 Hz – 20 kHz (-6 dB)
- Signal to noise ratio: 80 dB A-weighted
- Power supply: 100 – 240 V ~ 50/60 Hz
- USB port: Type C
- USB rating: 5V DC, 0.5A
- Supporting file formats: MP3
- USB specification: Audio playback is for US version only. For other versions, USB is for Service only.
- Bluetooth version: 6.0
- Bluetooth profile: A2DP 1.32, AVRCP 1.5.1
- Bluetooth transmitter power: ≤15 dBm (EIRP)
- Bluetooth transmitter frequency range: 2.400 – 2.4835 GHz
- Bluetooth transmitter modulation: GFSK, π/4 DQPSK, 8DPSK
- Wi-Fi network: IEEE 802.11 a/b/g/n/ac/ax (2.4GHz/5GHz)
- 2.4G Wi-Fi transmitter frequency range: 2412 – 2472 MHz (2.4 GHz ISM Band, USA 11 Channels, Europe and others 13 Channels)
- 2.4G Wi-Fi transmitter power: ≤ 20 dBm (EIRP)
- 5G Wi-Fi transmitter frequency range: 5.15 – 5.35 GHz, 5.470 – 5.725 GHz, 5.725 – 5.825 GHz
- 5G Wi-Fi transmitter power: 5.15 – 5.25 GHz ≤23 dBm, 5.25 – 5.35 GHz & 5.470 – 5.725 GHz ≤20 dBm, 5.725 – 5.825 GHz ≤14 dBm
- Dimension (H x W x D): 306.4 x 234 x 234 mm / 12.1" x 9.2" x 9.2"
- Weight: 4.2 kg (9.3 lb)
